*Promoting youth literacy by giving  
award-winning books to children in need.*

Valued Volunteer,

Global Give-A-Book, Inc. ([GGAB](#)) is a 501 (c) (3) Nonprofit organization that exists as a scalable solution to the identified lack of literacy resources among today's children. We are combating the problem by giving award-winning books to children in need.

Thank you for signing up to be a volunteer! Here is a link to [GGAB's portfolio](#) for your review in case it's been a while since you visited our website. Here are some unique engagement opportunities for our volunteers.

- 1) Hand out children's books at a local food pantry,
- 2) Promote youth literacy and spread awareness of GGAB's mission at public events.
- 3) [Lavender Libros](#) is a digital library where children can come to hear stories read by community leaders and role models like YOU! See the link for an illustration.
- 4) [GGAB Newsletter](#) showcases our valuable partners, community projects currently working on and past/future events.

If these opportunities to help your community sound great to you, please respond to this email so I can connect you to those volunteer opportunities. GGAB needs community leaders, such as yourself, to help children in need and make a difference in our communities.
